## Colonel Earnest Orrin Lee

of

Berryville, Virginia

Colonel Lee was born in a small farming town of Hoytsville, Utah, which was named for his maternal grandfather. He attended the University of Utah for two years studying engineering. He was appointed to the United States Military Academy, at West Point, in 1920, graduating in 1924 high in his class. He elected Field Artillery as his branch of service and was stationed at various posts including three years in Hawaii.

In 1940 his interest in the Finance Corps led him to that branch of the service where he remained until his retirement in 1954.

Early in World War II he went overseas as Finance Officer of the 9th Division. Later he held the same position in the II Corps and the 5th Army operating in Africa, Sicily and Italy. There he became acquainted with numerous foreign money systems and developed an interest in coin collecting. An initial effort to acquire a representative set of coins from as many countries as possible narrowed to a more discriminating interest in Crowns of the World. Over the years he has obtained a collection of exceptionally fine pieces, outstanding for their rarity and beauty.

He is married to the former Sally Thrift of Washington D. C. and has two sons, one daughter and three grandchildren.
